Trouble-free printing lets you use your time for bigger challenges

Get results you can depend on with Original HP Supplies and keep your office running smoothly, without interruption. Enhanced HP toner provides the quality and reliability every business wants. Time-saving supplies management makes printing productive and cost-effective.

Consistent results keep printing running smoothly

Original HP cartridges and the latest toner enhancements offer consistent print quality from the first page to the last. Cartridges are designed to produce consistent yields and built-in cartridge intelligence enables adjustments that optimise print quality and reliability. When you use Original HP, you get what you expect.

Take confidence in the environmental leadership of HP

HP has a long-standing commitment to the environment. From product design to a free, convenient return program through which Original HP LaserJet print cartridge materials are recycled, take confidence in the recognised environmental leadership of HP. Enhanced HP toner melts at low temperatures to provide consistent print quality at the speeds you need. And these enhancements also enable the system to use less energy when fusing toner to the page.
